THE PROBLEM.

Her life is all one neutral tint;
A cold and quiet gray;
No thunder cloud nor sunbeam glint
Darkens or cheers her way;
No great events cheer shadows cast
Across her Present or her Past.

From year to year she patient slips
The tasteless cup of life;
No annals of escape or hope
Or blighting care or strife;
And rarely from them falls one word
That would be worthy to record.

She is not old—she is not young—
She works from

Mechanical.

NEWSPAPER DECISIONS.—Any person who takes a paper regularly from the Postoffice—whether directed to his name or another, or whether he has subscribed or not—is responsible for the pay. If a paper is ordered his name discontinued, he is bound to pay for it, or the publisher may continue to send it until payment is made, and collect the whole amount, whether it is taken from the office or not. The courts have decided that refusing to take newspapers and periodicals from the Postoffice, or removing and leaving them uncollected, is prima facie evidence of intentional fraud.
